

The Prodigy Group is an organization that encourages emerging business leaders to create opportunities for both professional and personal growth.

Through our ties to the Greater Victoria Chamber of Commerce and other business and community organizations, we offer our members the opportunity to connect with likeminded individuals and to effect positive change in Victoria.

We provide emerging professionals with networking events, professional mentorship relationships and community involvement opportunities. Now in our fourth year of operation, we have built a strong foundation of over 200 members and are actively promoting the group to increase these numbers in 2010.
